Stepping Back and Looking Ahead

Message from the Chair and the Executive Director of the Ontario Arts Council

The evolution of art is fluid and dynamic, a reflection of the society and culture that shapes its artists and audience. In the past year throughout Ontario, art in all disciplines was created in a spirit of innovation and vitality, a celebration of new ideas and personal vision.

As the provincial arts funding body, the Ontario Arts Council has a responsibility to mirror the commitment of the artists it supports by exploring new ways of thinking, and refining its processes and procedures to ensure its relevance to the arts community.

In 1998-99, stable funding and the continuing growth of the arts throughout Ontario brought fresh opportunities to evaluate and respond to the needs of artists and arts organizations, and the communities in which they work.

The Ontario Arts Council (OAC) has always focussed on funding arts activities to ensure the long-term health of Ontario's artistic environment, but in the past year greater demands from the community coupled with tight resources required a higher level of strategic planning than ever before.

Broadening our support

This was a busy and productive year in many ways. From April 1, 1998 to March 31, 1999, the Ontario Arts Council provided 1,943 grants to 1,009 individuals and 640 organizations in 251 communities.

While these numbers reveal the integral role OAC continues to play in arts funding across the province, they do not reflect the development of new policies undertaken by board members and staff to ensure greater openness and transparency, and an appropriate balance of support for new and existing clients.

For the first time in the agency's history, advisory panels for annual grants programs included not only artists and other experts in the relevant artistic discipline or sector, but also board members of arts organizations and arts foundations, as well as patrons, donors, and other arts volunteers. This new approach was taken to open the process to a broader representation from the community, and to expose more people to the variety and depth of arts organizations applying for OAC funding.

To serve both new and existing arts organizations fairly and appropriately, the Ontario Arts Council also reexamined its

Prendre du recul pour mieux préparer l'avenir

Message du président du conseil d'administration et de la directrice générale du Conseil des arts de l'Ontario

L'évolution des arts est à la fois fluide et dynamique, à l'image de la société et de la culture qui modèlent les artistes et le public. Au cours de l'année dernière en Ontario, des œuvres d'art de toutes les disciplines ont été créées dans un esprit d'innovation et de vitalité, une véritable célébration d'idées nouvelles et de vision personnelle.

À titre d'organisme subventionneur des arts de la province, le Conseil des arts de l'Ontario se doit de refléter l'engagement des artistes qu'il appuie, en explorant de nouveaux modes de pensées et en améliorant ses méthodes de fonctionnement afin de continuer d'être pertinent pour le milieu artistique.

En 1998-1999, un financement stable et la poursuite de la croissance des arts dans tout l'Ontario ont ouvert de nouvelles perspectives pour évaluer les besoins des artistes, des organismes artistiques ainsi que des communautés dans lesquelles ils travaillent, et pour y répondre.

Le Conseil des arts de l'Ontario (CAO) s'est toujours consacré au financement des activités artistiques pour garantir la santé à long terme du milieu artistique ontarien, mais, l'année dernière, en raison des exigences de plus en plus nombreuses du milieu artistique et des ressources plus limitées, il a fallu effectuer une planification stratégique d'un niveau plus élevé que jamais auparavant.

Élargissement de l'appui du CAO

C'était une année productive à divers égards. Du 1er avril 1998 au 31 mars 1999, le CAO a accordé 1 943 subventions à 1 009 artistes et 640 organismes dans 251 communautés.

Si ces chiffres illustrent le rôle crucial que le CAO continue de jouer dans le financement des arts en Ontario, ils ne reflètent pas l'adoption des nouvelles politiques élaborées par le conseil d'administration et le personnel pour assurer plus d'accessiblité et de transparence, ainsi qu'un meilleur équilibre entre les clients nouveaux et actuels.

Pour la première fois dans l'histoire de notre organisme, les comités de sélection des programmes de subventions annuelles comptaient non seulement des artistes et d'autres spécialistes du secteur ou de la discipline en question, mais également des membres de conseils d'administration d'organismes artistiques, des amateurs d'arts, des donateurs et d'autres bénévoles du milieu artistique. Cette nouvelle approche vise à garantir une meilleure représentation de la communauté et à exposer plus

processes for determining annual operating grants. This evaluation led to the development of a new assessment process, which requires organizations applying for funding to meet a minimum standard in the categories of artistic merit/quality and organizational/financial effectiveness.

The purpose of this new approach was to create a pot of funds available to accommodate new organizations applying for annual funding; to reward organizations performing exceptionally well; and to correct historical inequities, where organizations performed very well but received lower grants because they were new to the annual funding program. The new assessment process will affect annual activity grants awarded during the fiscal year 1999/2000 and beyond.

Building stronger relationships with the artistic community

Recognizing the need to cultivate and maintain strong ties with the arts community, the OAC engaged in a variety of activities to bring together artists, OAC staff, and board members.

Building on the strengths of the previous year, *Ontario Contact '98* featured a greater variety of innovative showcases, seminars, and partnerships than ever before. The annual arts forum showcasing outstanding performing artists from throughout Ontario and across Canada attracted more than 250 professional and volunteer community presenters.

As a follow-up to the success of the 1997 *Vital Links* Community Arts Conference, in 1998 OAC published *The Vital Links Workbook*. This guide encapsulates some of the best practices in community arts, and highlights showcase pilot projects from the previous year's conference.

And in February 1999, we hosted a day-long arts education forum for educators. Every year, more than 700,000 young people in Ontario's education system have direct contact with a professional artist funded by OAC's Arts Education programs. Part of an ongoing strategy to link artists and educators, the forum focused on building partnerships with boards of education.

Fostering the growth of diverse sources of arts funding

Part of the Ontario Arts Council's role is to help arts groups maximize their self-generated revenues, and to assist arts organizations in building a diverse mix of revenue sources to provide them with more stability.

The Ontario Arts Council, in association with the Ontario Arts Council Foundation (OACF), was accordingly very pleased to play a key role in the development of the Arts Endowment Fund

de gens à la variété et à la qualité des organismes artistiques qui présentent des demandes de subvention au CAO.

Pour servir équitablement et adéquatement les organismes artistiques nouveaux et actuels, le CAO a également réexaminé l'octroi des subventions annuelles de fonctionnement, ce qui a donné lieu à une nouvelle méthode d'évaluation dans le cadre de laquelle les organismes candidats doivent répondre à des normes minimales dans les deux catégories suivantes : qualité artistique et efficacité organisationnelle et financière.

Cette nouvelle démarche a pour but de libérer des fonds pour les nouveaux organismes qui demandent des subventions annuelles, de récompenser les performances exceptionnelles et de redresser des inégalités historiques – dues au fait que certains organismes artistiques, en dépit de leur très bonne performance, recevaient des subventions inférieures car ils étaient nouveaux dans le programme de subventions annuelles. Cette nouvelle méthode d'évaluation s'appliquera aux subventions d'activités annuelles accordées à partir de l'exercice financier 1999-2000.

Établir des liens plus étroits avec le milieu artistique

Reconnaissant le besoin de cultiver et de maintenir des liens plus étroits avec le milieu artistique, nous avons entrepris diverses activités pour rapprocher les artistes, le personnel du CAO et les membres du conseil d'administration.

Fort des atouts de l'année précédente, Ontario Contact '98 a présenté une plus grande variété de minispectacles innovateurs, de séminaires et de partenariats que jamais auparavant. Ce forum annuel des arts de la scène, qui met en vedette des artistes de toute la province et du Canada, a attiré plus de 250 diffuseurs communautaires, professionnels et bénévoles.

Pour faire suite au succès du colloque d'arts communautaires Connexions qui a eu lieu en 1997, le CAO a publié en 1998 le *Manuel des arts communautaires*. Ce guide propose un éventail des meilleures pratiques d'arts communautaires et met l'accent sur des projets pilotes mis en œuvre l'année précédant le colloque.

Puis, en février 1999, nous avons organisé à l'intention des éducateurs un forum d'une journée sur l'éducation artistique. Chaque année, plus de 700 000 élèves du système éducatif de l'Ontario ont un contact direct avec un artiste professionnel subventionné par les programmes d'éducation artistique du CAO. Dans le cadre d'une stratégie permanente visant à rapprocher les artistes et les éducateur, le forum cherchait à établir des partenariats avec les conseils de l'éducation.

(AEF) in 1998. A program of the Government of Ontario through the Ministry of Citizenship, Culture and Recreation, the Arts Endowment Fund is administered by the OACF.

Under the AEF Program, money raised by eligible arts organizations specifically for endowment purposes is matched, dollar for dollar, up to a maximum, from the $25-million fund. For each participating organization, a separate endowment fund is established and maintained at the Ontario Arts Council Foundation. Each year, organizations receive income from their own funds to be used for operating purposes.

A look behind the scenes....

As always, we would like to thank the staff at the Ontario Arts Council, whose dedication and expertise moves the organization forward on a daily basis, and members of the board, who provide guidance, leadership, and a connection to the many communities they represent.

However, it is for the artists of Ontario that we reserve our greatest thanks. It is our privilege to witness and experience art in all its forms throughout the province – in venues big and small, representative of all the cultures that are part of Ontario. Their work, a legacy for generations to come, inspires us to support them as effectively and responsively as possible.

Diversifier et accroître les sources de financement artistique

Le CAO a entre autres pour rôle d'aider les groupes artistiques à maximiser leurs recettes gagnées et de les aider à diversifier leurs sources de revenus pour qu'ils puissent jouir d'une plus grande stabilité. C'est pourquoi le CAO, en association avec la Fondation du Conseil des arts de l'Ontario (FCAO), était très heureux de jouer un rôle clé, en 1998, dans l'établissement du Fonds de dotation pour les arts. Ce programme du gouvernement de l'Ontario, par l'entremise du ministère des Affaires civiques, de la Culture et des Loisirs, est administré par la FCAO.

Dans le cadre du programme du Fonds de dotation pour les arts, tous les montants recueillis par les organismes artistiques admissibles expressément à des fins de dotation recevront une contrepartie paritaire, jusqu'à un certain maximum, de ce fonds de dotation de 25millions de dollars. Un fonds de dotation distinct est établi pour chaque organisme participant et géré par la FCAO. Chaque année, ces organismes recevront des revenus de leur propre fonds, qu'ils pourront utiliser pour leur fonctionnement.

Un regard dans les coulisses...

Comme toujours, nous tenons à remercier le personnel du Conseil des arts de l'Ontario, dont le dévouement et la compétence font progresser chaque jour l'organisme, ainsi que les membres du conseil d'administration, qui nous font bénéficier de leurs conseils et de leur leadership, tout en servant de trait d'union avec les diverses communautés qu'ils représentent.

C'est toutefois aux artistes de l'Ontario que nous réservons nos plus grands remerciements. C'est un privilège pour nous de voir et de vivre les arts sous toutes leurs formes dans la province – aussi bien dans les grandes que dans les petites salles –, des arts représentant toutes les cultures qui font partie de l'Ontario. Leur travail, qui est un héritage pour les générations futures, nous incite à les appuyer aussi efficacement que possible.

L'honorable Henry N. R. Jackman

Auditor's Report

To the Province of Ontario Council for the Arts and to the Minister of Citizenship, Culture and Recreation:

I have audited the statement of financial position of the Province of Ontario Council for the Arts as at March 31, 1999 and the statement of operations and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Council's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Council as at March 31, 1999 and the results of its operations and changes in fund balances and its cash flows for the year then ended in accordance with generally accepted accounting principles.

J'ai vérifié l'état de la situation financière du Conseil des arts de la province de l'Ontario au 31 mars 1999 ainsi que les résultats d'exploitation et l'évolution du solde des fonds et du flux de trésorie pour l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction du Conseil des arts de l'Ontario. Ma responsabilité consiste à exprimer une opinion sur ces états financiers, en me fondant sur ma vérification.

Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues. Celles-ci exigent que la vérification soit planifée et exécutée de manière à fournir un degré raisonnable de certitude quant à l'absence d'inexactitudes importantes dans les états financiers. La vérification comprend le contrôle par sondage des informations probantes à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Summary of Significant Accounting Policies
March 31, 1999

Nature of Business

The Province of Ontario Council for the Arts was established in 1963 by the Government of Ontario to promote the development and enjoyment of the arts across the province. The Council plays a leadership role in fostering excellence in the arts and making the arts accessible to all Ontarians. The Council is a registered charity under the *Income Tax Act*.

Basis of Presentation

The financial statements have been prepared by management in accordance with generally accepted accounting principles as they apply to not-for-profit organizations.

The Council follows the restricted fund method of accounting for contributions.

Fund Accounting

Resources are classified for accounting and reporting purposes into funds that are held in accordance with their specified purposes.

The operating fund reports the publicly funded activities of the Province of Ontario Council for the Arts funded mainly through a general grant from the Province of Ontario.

The restricted and endowment funds are restricted by the terms specified by the donors in their trust agreements. The investment portfolio is managed by the board of directors of the Ontario Arts Council Foundation.

Investments

Investments are stated at quoted market value at the Statement of Financial Position date.

Résumé des principales conventions comptables
Le 31 mars 1999

Nature des activités

Le Conseil des arts de la province de l'Ontario a été créé en 1963 par le gouvernement de l'Ontario pour promouvoir le développement et le rayonnement des arts dans toute la province. Le Conseil des arts de l'Ontario (CAO) joue un rôle de chef de file en favorisant l'excellence artistique et en mettant les arts à la portée de tous les Ontariens. Le CAO est un organisme de bienfaisance enregistré en vertu de la *Loi de l'impôt sur le revenu* .

Principes de présentation

Les états financiers ont été établis par la direction du CAO conformément aux principes comptables généralement reconnus pour les organismes sans but lucratif.

Pour la comptabilisation des contributions, le CAO applique la méthode de la comptabilité par fonds avec restrictions.

Comptabilisation des fonds

Pour des raisons de comptabilisation et de présentation, les ressources sont classifiées en fonds assujetis aux conditions stipulées.

Le fonds d'exploitation fait état des activités du Conseil des arts de l'Ontario financées par les deniers publics, principalement par une subvention générale de la province de l'Ontario.

Les fonds avec restrictions et les fonds de dotation sont assujettis aux conditions établies par les donateurs dans les contrats de dotation. Le portefeuille de placements est géré par le conseil d'administration de la Fondation du Conseil des arts de l'Ontario.

Placements

Les placements sont comptabilisés à leur juste valeur marchande à la date de l'état de la situation finacière.

Revenue Recognition

Investment income earned on restricted and endowment funds is recognized as revenue of the restricted and endowment funds.

Capital Assets

Capital assets are recorded at cost (purchase price). All capital assets are amortized on a straight-line basis over the assets' estimated useful lives as follows:

Audio visual equipment	5 years
Computerization	3 years
Furniture and fixtures	5 years
Office equipment	5 years
Leasehold improvements	5 years

Financial Instruments

The Council's financial instruments consist of cash, accounts receivable, investments and accounts payable. Unless otherwise noted, it is management's opinion that the Council is not exposed to significant interest, currency or credit risks arising from these financial instruments.

Management's Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenditures during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future.

Constatation des produits

Les revenus des placements acquis des fonds avec restrictions et des fonds de dotation sont déclarés au titre des recettes des fonds avec restrictions et des fonds de dotation.

Immobilisations

Les immobilisations sont comptabilisées au prix coûtant (prix d'achat). Toutes les immobilisations sont amorties selon la méthode de l'amortissement linéaire couvrant le nombre d'années de l'utilisation probable des immobilisations, comme suit :

Matériel audiovisuel	5 ans
Informatisation	3 ans
Mobilier et agencement	5 ans
Matériel de bureau	5 ans
Améliorations locatives	5 ans

Instruments financiers

Les instruments financiers du CAO se composent d'encaisse, de compte débiteurs, de placements et de comptes fournisseurs. La direction du CAO estime que l'organisme n'est pas exposé à des risques significatifs d'intérêts, de devises ou de crédit découlant des instruments financiers, sauf indication contraire.

Utilisation des estimations par la direction

La préparation des états financiers conformément aux normes de comptabilité généralement reconnues nécessite que la direction fasse des estimations et des hypothèses qui influent sur les montants d'actif et de passif déclarés à la date des états financiers ainsi que sur les montants de recettes et de dépenses pendant l'exercice en question. Les résultats effectifs pourraient différer des meilleures estimations de la direction à mesure que des renseignements supplémentaires se présentent.

a) to receive and maintain a fund or funds and to apply all or part of the principal and income therefrom to charitable organizations which are also registered charities under the *Income Tax Act;*

b) to provide through the Council and other appropriate organizations for grants, scholarships or loans to persons in Ontario for study or research in the arts in Ontario or elsewhere or to persons in other provinces or territories of Canada or any other countries for study or research in the arts in Ontario, and;

6. Fondation du Conseil des arts de l'Ontario

Conformément aux recommendations de comptabilité proposées par le Conseil des normes de comptabilité de l'ICCA pour les organismes à but non lucratif, le CAO contrôle la Fondation du Conseil des arts de l'Ontario (la Fondation) puisque le conseil d'administration du CAO contrôle l'élection des membres du conseil d'administration de la Fondation.

La Fondation a été constituée en personne morale le 15 octobre 1991 en vertu de la *Loi sur les personnes morales de l'Ontario* et est un organisme de bienfaisance reconnu en vertu de la *Loi de l'impôt sur le revenu*. La Fondation a été établie :

a) pour recueillir et maintenir un ou plusieurs fonds, et pour affecter le capital et les produits financiers qui en découlent, en tout ou en partie, aux organismes de bienfaisance enregistrés également en vertu de la *Loi de l'impôt sur le revenu ;*

b) pour offrir à des Ontariens, par l'entremise du CAO et d'autres organismes pertinents, des subventions, bourses ou prêts aux fins d'études ou de recherches dans les arts en Ontario ou ailleurs, ou à des personnes d'autres provinces et territoires du Canada ou d'autres pays aux fins d'études ou de recherches dans les arts en Ontario ;

c) pour décerner des prix à des Ontariens qui se distinguent par leurs réalisations exceptionnelles dans le domaine des arts.

Les états financiers de la Fondation n'ont pas été consolidés avec ceux du CAO et sont disponibles sur demande. Voici les états financiers abrégés de la Fondation au 31 mars :

7. Investment Income (loss) of the Restricted and Endowment Funds

Investment income (loss) of the restricted and endowment funds include net unrealized capital gains of $576,576 (1998: $2,656,616).

8. Uncertainty Due to the Year 2000 Issue

The Year 2000 Issue arises because many computerized systems use two digits rather than four to identify a year. Date-sensitive systems may recognize the year 2000 as 1900 or some other date, resulting in errors when information using year 2000 dates is processed. In addition, similar problems may arise in some systems which use certain dates in 1999 to represent something other than a date. The effects of the Year 2000 Issue may be experienced before, on, or after January 1, 2000.

The Council has commenced, for all of its systems, a year 2000 date conversion project to identify, correct or reprogram, and test the system for year 2000 compliance. The Council expects its year 2000 date conversion project to be completed on a timely basis. However, there can be no assurance that the systems of other entities on which the Council's systems rely also will be converted on a timely basis or that any such failure to convert by another entity would not have an adverse effect on the Council's operations.

9. Comparative Figures

Comparative figures have been reclassified, where necessary, to conform with the current year's financial statement presentation.

7. Revenus (pertes) des placements des fonds avec restrictions et des fonds de dotation

Les revenus (pertes) des placements des fonds avec restrictions et des fonds de dotation comprennent des gains en capital nets non réalisés de 576 576 $ (1998 : 2 656 616 $).

8. Incertitude attribuable à la problématique de l'an 2000

La problématique de l'an 2000 découle du fait que de nombreux systèmes informatiques utilisent deux chiffres au lieu de quatre pour indiquer le millésime. Les systèmes sensibles aux dates risqueraient de confondre l'an 2000 avec 1900 ou une autre date, ce qui entraînerait des erreurs dans le traitement de données utilisant des dates de l'an 2000. En outre, des problèmes semblables pourraient surgir dans certains systèmes qui utilisent certaines dates de 1999 pour indiquer autre chose qu'une date. Les incidences de la problématique de l'an 2000 pourraient se matérialiser le 1er janvier 2000 aussi bien qu'avant ou après.

Le CAO a commencé à mettre en œuvre un programme de conversion visant à repérer, corriger ou reprogrammer tous ses systèmes, puis de les mettre à l'essai, pour assurer leur conformité aux exigences de l'an 2000. Le CAO s'attend à ce que son programme de conversion « An 2000 » soit terminé en temps utile. Il n'y a cependant aucune garantie que les systèmes d'autres entités desquelles dépendent les systèmes du CAO seront eux aussi convertis au moment voulu ni que l'incapacité d'une autre entité à le faire n'affecte défavorablement les systèmes du CAO.

9. Chiffres comparatifs

Certains chiffres comparatifs ont été reclassés pour se conformer à la présentation de l'exercice actuel.

Arts Education / Éducation artistique

Steven J.T. Campbell,
Officer / Responsable

OAC's Arts Education programs provide support towards the cost of artists' residencies, workshops and presentations for young people. Programs also provide annual support to organizations engaged in arts education programming. Arts education is an essential component for the full development of all learners. It is a catalyst for creativity in all fields, life-long learning, and the development of cultural literacy. OAC, the arts community and educators are partners in this effort.

Les programmes d'éducation artistique du CAO accordent des subventions pour contribuer aux frais des artistes en résidence, des présentations et des ateliers destinés aux jeunes. Ces programmes offrent également des subventions d'activités annuelles aux organismes qui se consacrent à l'éducation artistique. L'éducation artistique est une composante essentielle au plein développement de tous les apprenants. C'est un catalyseur pour la créativité dans tous les domaines, pour l'éducation et la formation permanentes et pour l'acquisition du savoir culturel. Le CAO, le milieu artistique et les éducateurs collaborent tous dans ce sens.

Community Arts / Arts communautaires

Melanie Fernandez,
Officer / Responsable

OAC's Community Arts programs aim to develop community arts activities across the province by helping artists, communities and organizations develop local arts resources. Community arts involves artists and community members in a collaborative creative process resulting in collective experience and public expression. It provides a way for communities to express themselves, and enables artists, through financial or other means, to engage in creative activity.

Les programmes d'arts communautaires du CAO visent à favoriser les activités d'arts communautaires dans toute la province en aidant les artistes, les organismes et les communautés à développer leurs ressources artistiques locales. Les arts communautaires sont une pratique artistique à laquelle collaborent les artistes et les membres de la communauté pour aboutir à une expérience collective et une expression publique. Cela aide les communautés à s'exprimer et permet aux artistes, par le biais d'une aide financière ou autre, d'entreprendre des activités créatives avec les communautés.

Other OAC Awards

Autres prix du Conseil des arts de l'Ontario

To complement OAC programs and services, there are other awards available to the arts community in Ontario.

Pour compléter les programmes et services du CAO, il existe d'autres prix offerts au milieu artistique de l'Ontario.

The Pauline McGibbon Award

Prix Pauline McGibbon

The Pauline McGibbon Award was established in honour of former Lieutenant Governor Pauline McGibbon for her support and patronage of the arts. Administered by the Ontario Arts Council, it consists of $7,000 from the Province through the Ministry of Citizenship, Culture and Recreation, and a medal designed by Dora de Pedery Hunt.

The award is given to an individual in the early stages of his or her theatre career, and recognizes the unique talents of artists who have contributed to the well-being of Ontario's theatre community. It provides an opportunity for developing theatre artists to pursue their vision through study, travel, or other learning opportunities.

The Pauline McGibbon Award is cyclical in nature, honouring a designer, a director and a production craftsperson in a three-year cycle. In 1998 the award was given to a production craftsperson.

Le prix Pauline McGibbon a été créé pour rendre hommage à l'ancienne lieutenante-gouverneure et à l'appui qu'elle a accordé aux arts. Administré par le Conseil des arts de l'Ontario, ce prix consiste en une somme de 7 000 $, octroyée par le gouvernement de l'Ontario, et une médaille du ministère des Affaires civiques, de la Culture et des Loisirs, conçue par Dora de Pedery Hunt.

Le prix récompense chaque année un membre du milieu théâtral torontois en début de carrière, et reconnaît le talent des artistes qui ont contribué à l'épanouissement de ce secteur. Il permet aux artistes de la relève de poursuivre leur vision par des études, des voyages ou d'autres occasions d'apprentissage.

Le prix Pauline McGibbon est décerné, par roulement, à un concepteur, à un metteur en scène et à un artisan de la production. En 1998, c'était la catégorie « artisan de la production » qui était à l'honneur.

Board Members 1998-1999

The Ontario Arts Council is directed by 12 volunteer board (council) members who come from across the province. They are appointed by the Government of Ontario for a three-year term, and may be reappointed for one additional term.

OAC's Board is responsible for setting OAC's policies and overseeing the organization's operation. Board members also play an important role as advocates for the arts in Ontario and as representatives of the OAC in communities across the province. In 1998-99, one board position remained vacant.

Membres du conseil d'administration 1998-1999

Le Conseil des arts de l'Ontario (CAO) est dirigé par un conseil d'administration, composé de douze membres bénévoles provenant de différentes régions de la province. Ils sont nommés par le gouvernement de l'Ontario pour une période de trois ans, mandat qui peut être renouvelé une fois.

Le conseil d'administration établit les politiques du CAO et veille au fonctionnement de l'organisme. En outre, les membres du conseil d'administration jouent un rôle important en défendant la cause des arts en Ontario et agissent à titre de représentants du CAO dans diverses communautés de la province. En 1998-1999, un poste était vacant.
